

DEPARTMENT OF MATHEMATICS
REPORT ON PARENT TEACHER MEETING

Annual parent- teacher meeting of the department of Mathematics was held at 11am on 03.12.2019 on the college premises. Twentyfour number of parents/guardians were present in the said meeting. At the outset Prof. Ajay kumar Rout the Principal incharge gave the introductory address in which he discussed the essence of such meeting and the indispensability of involvement of parents/guardians in the institutional management process. Parents are the home teachers to educate and sensitize their children for a productive learning environment in educational institutions. Hence they have a vital role to play in the teaching-learning process. Prof. Jyotsnamayee Pati head of department of Mathematics highlighted on objective of the meeting and requested the parents/guardians to place their constructive proposals and suggestions for quality enhancement in teaching and infrastructural facility.

Some parents suggested arrangement of more remedial classes while some other parents raised the issue of restriction in lending of library books. A few expressed their unhappiness about the limited varieties of dishes being serving in the hostel. Some of them were in favour of engagement of more number of tutorial classes.

Prof. Pati assured them of initiating remedial steps for addressing the problems raised by the parents. The discussion was very interactive and participative.

The meeting ended with thanks offered by Prof. Nibedita Nayak.
