

REPORT ON VIGILANCE WEEK

The vigilance week for the year 2021 was observed from 26th October to 1st November under the auspices of Internal Quality Assurance Cell of the college. During the weeklong programme different anticorruption awareness activities were conducted.

On the inaugural day an awareness rally consisting of 62 number students and teachers was organized. That moved from the college to the old bus stand covering the distance of two kilometers. The students carried placards and banners with catchy slogans on citizen's awareness against corrupt practices in public life. On the second day literary competitions like essay and debate were held among the students based on issues pertaining to the students role in combating corruption in public offices in particular and society in general. The following days were marked by slogans competition, street corner play and folk dance (danda nrutya) . The week long programme concluded with a meeting addressed by the Principal and senior faculties. The successful participants were awarded prizes certificates.
