6. Abstract of the Topic : \_\_\_\_\_
7. Any other Remarks : Regional Science Centre established in the temple city of Bhubaneswar on 8 acres of land was dedicated to the nation on 18<sup>th</sup> September 1989, this centre is one of the 26 Science Centres under the network of National Council under ministry of culture Govt. of India on 5<sup>th</sup> June 2021. The Centre aims at inculcating scientific temper and popularization science & technology amongst people of all walks of life, students in particular in the state of Odisha, through exhibits exhibitions, special shows and educational programmes.

At present there are three galleries. \_\_\_\_\_

- i. Motion gallery: It has 40 interactive exhibits showing features on motion inside our body, wave motion & laws of motion etc.
- ii. Mathematics Gallery : It unravels the wonderful world of mathematics and its application in our every day life.
- iii. Popular Science Gallery : Lots of action, fun and excitement are what this gallery is all about.

Apart of these there is a science park with animated dinosaurs models synchronized with a story telling light and sound show. The story of the evolution of life on our planet earth is narrated to the visitors through a light and sound show in an interesting way. Regional science centre, BBSR conducts regular teacher training programmes, vacation Hobby camp, Science Quizzes, Sky observations programmes with the telescope, science seminars, science Drama and science fairs etc. and popular science lectures etc. the special shows includes 3D movies, Taramandal, inflatable dome planetarium shows, science magic shows super cool body shows, Non-fall bicycle & science film etc.
