

## **REPORT ON INDUSTRY ACADEMIA SEMINAR ON 28.02.2019**

An Industry-Academia seminar captioned "Integrated Pest Management and Safe Use of Pesticides" was organized under the auspices of Internal Quality Assurance Cell of the college in computer lab on 28.02.2019 at 11AM. S.J. Mihir Kumar Sahoo, Plant Protection Officer, Ghatgaon, Keonjhar, graced the programme as resource person. The programme was attended by 82 students and faculties. The programme was started with an introductory address by Prof. Ranjit Ranjan Sahoo, Head of the department of Political Science, who spoke on the objective of the programme. The resource person S.J. Sahoo discussed broadly on the topic through power point presentation for one and half hour. An interaction session followed immediately after the deliberation of the resource person. S.J. Sahoo clarified all the queries of the participants. This programme was quite engrossing and rewarding. At the end of the programme Prof. Jyotnamayee Pati, Head Of The Department, Mathematics, proposed vote of thanks.
