### **5. Report:-**

A Parent –Teacher meeting for Degree Students was organized by the department of Chemistry, Tulasi Womens College, Kendrapara on dated 16.11.2019 at 11.30am in Hall No.27. Prof. Dr. Smruti Ranjan Behera, Principal, of the college inaugurated the meeting with welcome address . Mrs. Pramilarani Behera, HOD, in Chemistry delivered the welcome address to the dignitaries on the dais and Parents. Prof. Ajay kumar Rout, Administrative Bursar, Dr. Mathuri Charan Nayak, NAAC Co-coordinator of the college and faculty members of the department of Chemistry were present in the meeting. Dr. Smruti Ranjan Behera delivered the theme of the PT Meeting. Mrs. Behera discussed the performance of the students with their parents. The department of Chemistry conducted one seminar weekly for the students to improve the knowledge of the concerned topic talked by the students. Prof. Ajay Kumar Rout explained the regularity and sincerity of the girls students. Dr. Mathuri Charan Nayak, NAAC Co-ordinator advised that the students must go through newspapers and magazines in the reading room of the college which help them in their carrier. Parents of 2<sup>nd</sup> and 3<sup>rd</sup> Semester students were given feedback on their wards performances in 1<sup>st</sup> and 3<sup>rd</sup> Semester examinations. It was a great interaction between the Teachers and Parents for the development of their daughters where they discussed both the strengths and areas of improvements. PT meeting came to an end with the conclusion that joint efforts, mutual understandings and co-operations of parents and teachers are very important for the progress of the students. The meeting was ended with vote of thanks by Sri Sanat Kumar Pradhan, Lecturer in chemistry of the department.
