Child Labour

Child labor is a common phenomenon in Indian Social scenario especially among the vulnerable section of society. Though there are number of laws to prevent it still it is prevalent in Indian society. In view of this an awareness program was organized by the Youth Red Cross of college on 25.02.2020 in village Kalapada wherein 22 students participated in the program. It was coordinated by Mrs. Soumya kanti Mitashree Lecturer in Sanskrit and Ms Gayatri Nayak Lecturer in Political Science.
