A field study tour was organized by Department of Home Science, Tulasi Women's College, Kendrapara on Dt.11.03.2022. All the teaching and non-teaching staff members of the Home Science Department alongwith forty-two numbers of +3 1st year, 2nd year and 3rd year students of Home Science Honours participated in this tour and visited to Bayana Gram located in Jagatsinghpur District. The students were keen to see the loom and weaving processes. The students on tour got the privilege of learning by viewing on the following field at the weaving centre.

- Parts of loom,
- Processes and technique of weaving,
- Dying process,
- Yarn preparation,
- Thread binding for different designs.

This trip is an eye opener for our students, It was educative and also a break from the whole routine of the class work and the students got knowledge of their lesson on the tour.
