4. Title of the Topic:- To study the different types of fauna at Gundichaghagi.

REPORT:-

+3 Final Year Degree Students and Staff members of Zoology Department of Tulasi Women's College, Kendrapara were visited Gundichaghagi waterfall on 30th December 2022 to "study the different types of fauna at Gundichaghagi". Gundichaghagi waterfall is located amidst spectacular natural environment with lush green forest. A cascade of waterfalls on the river Musala falls at a distance of 50 feet below the river surface makes the area virtually smokey & attractive with roaring sound. The waterfall looks like a silver garland.
