

DEPARTMENT OF MATHEMATICS

REPORT ON STUDY TOUR 2022-23

The student of the honours department of Mathematics, Tulasi Women's College, Kendrapara, went on a study tour under the guidance of Prof. Jyotsnamayee Pati, Prof. Nibedita Nayak, S.J. Rajendra Kumar Sahoo to Institute of Professionals Studies and Research (IPSAR) Cuttack on 13.12.2022. They visited different sections and computer laboratories functioning there in. The students attended a seminar specially organised by IPSAR. Director J.K. Mishra presided the seminar and Prof. Bidhubhusan Das enlightened students on different programmes. It was an exciting and rewarding visit. The students also visited Pathani Samant Planetarium located at Acharya Vihar, Bhubaneswar. They watched audio visual programme inside the Planetarium and got practical experience at the functioning of the solar system.

The study tour concluded with a visit to the Santistupa (Dhauligiri) located beside the river Daya. This is a historical place.
