

Faculty Development Programme

Event: Faculty Development Programme

Title: Understanding the connection of Mathematics around us

Organiser: Internal Quality Assurance Cell

Date & Venue: 10.05.2022 & Computer Lab

Brief Report:

A Faculty Development Programme titled “Understanding the connection of Mathematics around us” was organized by IQAC on 10.05.2022 in the Computer Lab. The programme was chaired by Prof Ranjit Ranjan Sahoo, the Principal. Prof Nibedita Nayak, Lecturer in Mathematics of the college addressed the programme as the resource person. The resource person discussed about the use and application of mathematical techniques in our day to day life as well as in the professional career. The 37 no of the faculties were present in the event. The session was very informative and insightful.
