

Green Club

Organized by: Tulasi Women's College

Date: 03.02.2022

Venue: Staff Common Room

In order to develop environmental empathy, awareness about environmental sustainability, and knowledge about the functioning of the environmental system, the Green Club was inaugurated by the principal, Prof. Ranjit Ranjan Sahoo on 03.02.2022 in the Staff Common Room of Tulasi Women's College. Dr. Pramilarani Behera, Mrs. Sabita Das, Mrs. Jyotsnmayee Pati, Mrs. Jyotsnamayee Montry, Mr. Brahmananda Sethi, Mrs. Manjushree Swain participated in the club. The inauguration event was attended by the students and staff members of the institution. Student volunteers registered themselves for the club and pledged to devote themselves to promote eco-friendly practices in the college. On the occasion, plant saplings were planted inside the college premises. Prof. Sahoo discussed the importance of environment and sustainability for the future of the earth. Resolutions were made to conduct energy audit, water audit, hygiene and sanitation audit in the campus to promote environmental sustainability.
