

## TEACHERS' DAY

Date: 05.09.2023

Venue: Conference Hall

The Teachers' Day was celebrated at Tulasi Women's College on 05.09.2023. Every year on September 5th, India observes Teachers' Day to honour the birth anniversary of Dr Sarvepalli Radhakrishnan, the nation's first Vice President and second President. Dr. Radhakrishnan, an emblem of academia and education, was not only a statesman but also a revered philosopher and teacher. His legacy includes introducing Western philosophies into Indian society, leaving an indelible mark on education and thought. On this occasion, the Principal Dr. Pramilarani Behera encouraged the students to become good human beings as that would be the greatest reward for a teacher. The students expressed their reverence towards the teachers and thanked them for their guidance and encouragement.
