

Elimination of Single Use Plastic

Organized by: Department of Botany

Date: 11.11.2023

Venue: Tulasi Women's College

The Department of Botany organized an awareness program entitled "Elimination of Single Use Plastic" on 11.11.2023. Shri Jayanta Kumar Jena, Assistant Agriculture Officer, General Administration Department, Govt of Odisha and Bharat Chandra Jena, Project Assistant, Centre for Environmental Studies, Govt of Odisha led the awareness program and highlighted the hazards of single use plastic. Students of the department of Botany and faculty members led an awareness rally to spread the awareness among the people of the neighbourhood.
