

## **Science Exhibition**

**Organized by: Science Society, Tulasi Women's College**

**Date: 16.01.2024**

**Venue: Conference Hall**

The Science Society of Tulasi Women's College, Kendrapara organized the Science Exhibition on 16.01.2024. The program was inaugurated by the Principal Dr Pramilarani Behera. Students from the different science departments showcased their projects which were innovative. The Hydroponic Farming project secured the first position. The second position went to the wind power project while the third position was jointly secured by the Acid rain project and photobioreactor project.
