

FIELD STUDY TOUR

Organized by: Department of Home Science

Date: 20.01.2024

Venue: Keonjhar

The Department of Home Science organized a Field Study Tour to Keonjhar. The students visited a Food Processing Unit and observed the various processes through which food processing was carried out. The students were guided on the study tour by Prof. Sabita Das, HOD Home Science, Mrs. Arati Choudhary and Miss Jyotsnamayee Samal.
